

Thudawa Hewage Ushan Prabashwara

Undergraduate · Information Technology

ushanprabashwara@gmail.com · +94 76 752 0199 · Kaduwela, Colombo

Motivated student with an interest in software, data, and building useful things. I'm still a 2nd-year student. Until my 3rd-year, I'm not looking for an internship.

SKILLS

Java, Python, JavaScript, Git, GitHub, HTML/CSS, Problem solving, Teamwork, Communication, AI Fundamentals

PROJECTS

Car Service Maintenance and Tracking System 2026

A full-stack system for car service, maintenance, and tracking with a review system.

Personal Portfolio Website 2026

A modern, responsive personal portfolio showcasing projects, skills, and contact information.

StudyTrack System 2026

A fully client-side web app that helps students organize their academic life.

SmartExpense Tracker 2026

Smart Expense Tracker is a personal finance management tool that allows users to effortlessly log daily transactions, categorize their expenditures, and gain clear insights into their spending habits to budget more effectively.
