PROFESSIONAL STRENGTHS

- Disciplined and consistent learner, shown by balancing university studies with competitive sport.
- Comfortable solving problems independently and improving through feedback.
- Team-oriented communicator with leadership experience as school badminton captain.
- Practical builder focused on useful applications, clean interfaces and steady improvement.

CAREER DIRECTION

Aiming to grow into a well-rounded software engineer with strong fundamentals in web development, backend systems, databases and cloud technologies. Currently building on my degree and personal projects while preparing for internship and software development opportunities.
